

## 2nd DRONE USERS CONFERENCE IN CONSERVATION & AGRICULTURE

### CALL FOR SUBMISSIONS

The Endangered Wildlife Trust, United Nations Development Programme, and the Western Cape Government's Department of Agriculture, will be hosting the 2<sup>nd</sup> Drone Users Conference: Conservation & Agriculture, taking place at Elsenburg, Stellenbosch, Western Cape, from Monday, 29 November 2021 to Wednesday, 01 December 2021.

The conference has adopted a hybrid format making in-person, as well as virtual attendance, possible.

This is a *Call for Submissions* to those who would like to present at the conference to visit our online *Submission & Review Portal* and complete your abstract submission. The conference incorporates drones and technology in the fields of Conservation, Agriculture, Sustainable Land Management and Natural Resource Management.

Your presentation needs to fit into one of the three conference themes seen below:

- Data Analysis & Interpretation
- Drone Applications
- Drone Operations & Management

You are invited to submit an abstract of no more than 300 words to be considered as a presenter. Submissions will be evaluated by a panel of peer-reviewers.
